

Fiber Optic Ethernet Switches

Fast Ethernet And Gigabit

Selection Guide

Ports	Model	Description
5-Port	S7055xM	4 UTP ports 10/100 auto-sensing and auto-negotiating; 1 fiber port 100BaseFX; ST or SC connectors; web-based device management ; VLAN function; multimode/singlemode; Distances to 70 km
5-Port Industrial	SF70550	10/100, Industrial Switch , SFP Support, Jack and terminal block interfaces
5-Port PoE Industrial	SF70550P	10/100, Industrial Switch , SFP Support, Jack and terminal block interfaces, provides 4 PoE PSE ports
6-Port	SG70660M	5 UTP ports 10/100/1000 auto-sensing and auto-negotiating; 1 1000Base SFP port; GBIC Module Technology, web-based management ; multimode, singlemode, single fiber; LC connectors; Distances to 100 km
6-Port Industrial	SF70660M	5 UTP ports 10/100/1000, Industrial 1 1000Base SFP Slot, GBIC module technology, managed distances to 100 km
7-Port	S7075xM	6 UTP ports 10/100 auto-sensing and auto-negotiating; 1 fiber port 100BaseFX; ST or SC connectors; web-based device management ; VLAN function; multimode/singlemode; Distances to 70 km
8-Port 10/100	S7085x	7 UTP ports; 10/100 auto-sensing and auto-negotiating; 1 fiber port 100BaseFX; ST or SC connectors; multimode/singlemode; Distances to 70 km
8-Port 10/100 Industrial Managed	SF7085xM	8 10/100 ports, 1 or 2 fiber ports, auto-netgotiation, SNMP, Telnet, web-based management, watch dog timer, panel or DIN rail mounting
8-Port PoE Industrial	SF70860MP	10/100/1000, Industrial , managed, 4 PoE PSE Ports, 2 SFP fiber slots
10-Port 10/100/1000 PoE+	SG71060MP	(8) 10/100/1000 Ethernet Ports, 2 Combo SFP fiber or copper slots, managed, Layer 2
24-Port	SG72660M	24 Ports UTP, 10/100/1000, 6 SFP Slots 100/1000Mbps, managed, Layer 2, rackmountable, Distances to 100 km
24-Port PoE+	SG72660MP	24 Ports UTP, 10/100/1000 with full PSE power, 6 SFP fiber slots 100/1000Mbps, 2 SFP Uplink Slots, managed, Layer 2, rackmountable
24-Port 10/100/1000 Fiber	SG24424M	8 ports 10/100/1000Base Ethernet, 24 ports 100/1000Base SFP Fiber, managed, Layer 2, rackmountable, Distances to 100km, also supports 10/100/1000 copper SFP modules
"Pick a Port" Modular Switch	SG71090	Choose from 11 different types of modules: <ul style="list-style-type: none"> • 8-port 100FX, MM, ST, 2km • 8-port, 100FX, MM, SC, 2 km • 8-port, 100FX SM, SC, 20 km • 8-port, 10/100/1000 UTP RJ-45 • 8-port, 100/1000M SFP ports • 4-ports RJ45, 4-100/1000M SFP ports • 2-ports RJ-45, 6-100FX, MM, ST ports • 2-ports RJ-45, 6-100FX, MM, SC • 2-ports RJ-45, 6-100FX, SM, SC ports • 8-port, singlefiber, bi-directional, SM, SC, 20 km • 2-ports RJ-45, 6 bi-directional, SM, SC ports, 20km, singlefiber
